

PERSONAL LEARNING and THINKING SKILLS

Using a diverse range of outdoor activities to develop

PERSONAL LEARNING AND THINKING SKILLS

A residential trip with friends and teachers provides the ideal opportunity to develop the six groups of skills highlighted in the PLTS framework. The PLTS Programme allows students to choose their own Discovery Project, set goals for their research with clear success criteria and organise their time and resources effectively to achieve these goals. In doing this they will be guided by our effective tutors to identify the skills they are acquiring :

independent enquirers ♦ creative thinkers ♦ reflective learners ♦ team workers ♦ self-managers ♦ effective participants
